CAREER STATEMENT

"I feel that my greatest strengths are firstly my strong commitment to providing a professional service to all colleagues with whom I work. Secondly my skill at developing and maintaining a close working relationship with every company client, something which in turn helps me to gain an in-depth understanding of their individual needs. Thirdly my real passion for Web Development as a whole, an obsession which allows me to spot trends and develop best practice processes."

Web Developer and Teacher

PERSONAL SUMMARY

An ambitious problem solver with a passion for online businesses, and who would like to join a team of like-minded developers. Kenechukwu has much experience of creating logical and innovative solutions to complex problems. He is thorough and precise in everything he does, and has a keen interest in technology and user experience. As someone who takes responsibility for his own personal development, he is continually evaluating and upgrading his skills so that he stays at the cutting edge of web development. He is a natural problem solver, who has proven himself by successfully completing projects for Businesses, Schools, web design agencies, and IT departments.

Right now, Kenechukwu is looking for a suitable position with a company where outstanding performance is recognized and where he can work on a variety of high-profile projects.
